Founded July 11, 1968

***\*Election 2020 is over.***

***\*Joe Biden & Kamala Harris won!***

***\*But our work is not done.***

Since 1968, the members of the Shelby Area Democratic Club have worked "to promote, support and elect Democratic candidates for public office." We invite you to join us in our efforts by joining our group.

Dues are only \$5 per year. Yes, you read correctly – only \$5 per year! We members gather for our monthly meeting on the 3rd Thursday at 7:00 pm. At present and for the foreseeable future, we meet online using the Zoom meeting platform. (That's why we need your email address.) Check out the "Top 10 Reasons to Be a Shelby Area Democrat" on next page.

Many thanks in advance for your membership.
